

iBASE is for au pairs, international workers and English language students in their late teens and early twenties. It's a good way to get involved at St Andrew the Great during your time in Cambridge.

We meet on Wednesdays for Bible study and again on Sundays for church and lunch together. Everyone is welcome, whether you are a Christian or not.

It begins at 7.00pm with a meal and a short talk from Luke's Gospel, followed by discussion in small groups. It is a good place to discuss what Christians believe and to ask questions.
