

Spring 2022

Wednesdays 7-9pm: HUB Central

HUB is StAG's midweek small groups for those in their 20-30s, where we enjoy a meal together before spending time learning from the Bible in a talk and small group discussion.

We're studying Exodus this term. We'll be seeing God reveal who he is, including his faithfulness and power to save a people for himself.

Wednesdays

Date	Topic/Event
