Travs is our youth group for school years 10-13 (age 14-18). We meet after the 5pm service each week to hear from the Bible, eat dinner together, and spend time catching up and playing some games. This term we're studying the book of Ruth in the first half, and hearing what the Bible has to say about a few important topics in the second half.

Weekend Away

A highlight of the Travs year is the weekend away at Buckden Towers. We go away for a weekend of great activities, food, time together, brilliant Bible teaching, and a chance to ask big questions. 25-27th February. Go to stag.org/youth to sign up.
