Abraham: the life, walk and triumph of faith

What is Christian faith? The Bible takes us to Abraham as a great example, even though he lived two millennia before Jesus. We'll live through his experiences of promises, doubts and struggles, and of the true and living God.

What thousands saw and heard

In Matthew 19-23, we follow Jesus on the road to Jerusalem, speaking both to His disciples and large crowds. His teaching shows us how (and how not) to be His follower today.
